LEVY FOR LEARNING. BOND FOR BUILDINGS.

Both Levy & Bond Needed to Stabilize District's Future and Avoid Major Cuts

The district needs success on both questions to have financial stability and avoid statutory operating debt by fiscal year 2028.

Operating Levy: Crucial for quality learning. Without it, major budget cuts will negatively impact student success.

Bond Referendum: Addresses urgent facility repairs. Without it, operating funds for learning will be diverted to fund the most urgent building repairs. Some building repairs will be postponed for future funding.

Example: Over \$700,000 in immediate roofing repairs are needed. Without the repairs, the district is at risk of not having their insurance renewed, will be considered high risk, and will pay a significantly higher premium.

Learn more at about the upcoming referendum at cardinalstrong.net.
